	CARGO OPERATIONS BULLETIN	
	TYPE: Informational NO: 24-07 ISSUE DATE: 10/03/24 MANUAL: Cargo Operations Manual	

SUBJECT:	Approved Cargo Devices
STATUS:	Effective Immediately and Until Superseded by New Bulletin

Cargo Devices

Devices not listed in this Bulletin should not be accepted for shipment without the approval of the Senior Manager of Quality (119 Chief Inspector) and the Vice President of Domestic Ground Operations. If the device is not listed in the bulletin as approved, the shipper must provide the specifications to the Amerijet Cargo representative or Station Manager for transmission to Quality Control for review and approval or denial.

Shippers are required to advise Amerijet whenever tracking, recording and transmitting devices are contained in any cargo shipment.

Please refer to COM Chapter 2, Section 7, Paragraph I for the complete policy regarding Cargo Data Logging and Tracking Devices.
